

## Management and Leadership Course

CMI Level 7 Strategic Management and Leadership – Online Distance Learning

### About the Course

Developed for directors and senior managers who have the responsibility to translate organisational strategy into effective performance, the Level 7 qualifications in Strategic Management and Leadership require the manager to focus on the implementation of their organisational strategy.

This qualification has three levels:

#### Award

The Level 7 Award in Strategic Management and Leadership will build on the managerial skills and knowledge you already have. It will give you a greater understanding of the various roles and responsibilities involved in strategic management and through focusing on specific areas on management, we'll tailor your qualification to suit your professional needs.

The award consists of 1 unit and has a transferable credit value of a minimum of 6 credits.

#### Certificate

A more extensive qualification, the Level 7 Certificate in Strategic Management and Leadership gives you a broader knowledge of effective management skills while focusing on the specific management areas appropriate to you and your workplace.

The certificate consists of 2 units and has a transferable credit value of a minimum of 13 credits.

#### Diploma

Our Level 7 Diploma in Strategic Management & Leadership is designed for strategic managers aspiring to develop their skills. A Diploma in Strategic Management & Leadership is the benchmark qualification for full CMI membership, taking you another step towards Chartered Manager status.

The diploma consists of 5 units and has a transferable credit value of a minimum of 39 credits.
